James Bateman
Director of Hockey at Oakham School
June 27, 2013, Cllr Ben worked with James in different groups

James is a professional and effective hockey coach, providing high quality training and support for various teams and players within the framework at Sheffield Hallam. He has always shown commitment and enthusiasm for the sport, and has always appeared passionate about the role. I would recommend James to any club or sports organisation in a coaching capacity with either adults or junior players.
